Dear TAOG Members,

With the great support and assistance of Dr. Mark DeFrancesco, and Prof. Ming-Chao Huang's contribution to the collaboration of the two societies, the first AT (America-Taiwan) Joint Conference was successfully held in April last year.

We are delighted to announce that the 2nd AT (America-Taiwan) will take place on June 18th.

In the past few years, TAOG has spared no effort to establish friendship and academic exchange with ACOG guests by speech and participation invitations at the Annual Congress of TAOG.

Apart from the invitation for ACOG guests at the Annual Congress, for further collaboration of academic activities between ACOG and TAOG, we have organized the 2nd AT (America-Taiwan) Joint Conference.

Many extraordinary speakers from ACOG and I will be giving exciting topics for our members.

Here I would like to express my special appreciation for Dr. Mark DeFrancesco, who will also be awarded as the Honorary Fellow of TAOG this year, for his great assistance and contribution to make this AT Conference a workable online conference.

We look forward to the continuous collaboration and academic exchanges with ACOG in the future!

Thank you!

Yours Sincerely,

Shee-Uan Chen
Shee-Uan Chen
President of TAOG

Taiwan Association of Obstetrics and Gynecology (TAOG)
