## Corrigendum

### Corrigendum to “Predictive value of ultrasound-related scoring system on embryo development in early pregnancy after IVF/ICSI: An observation of embryonic quality” [Taiwan J Obstet Gynecol 58 (2019) 501–504]

Xin-Hua Wang <sup>a, b</sup>, Hui-Jun Wang <sup>b</sup>, Xiao-Hui Deng <sup>a, \*</sup>, Yan-Lin Wang <sup>b</sup>, Hong-Liang Sun <sup>b</sup>, Xiang-Hui Zhang <sup>b</sup>, Xiao-Xia Li <sup>c</sup>

<sup>a</sup> Department of Reproductive Medical Center, Qilu Hospital, Shandong University, 107 Wenhua Xi Road, Jinan, 250012, PR China

<sup>b</sup> Department of Reproductive Medicine, Binzhou Medical University Hospital, 661 Huanghe 2 Road, Binzhou, 256603, China

<sup>c</sup> Community Health Service Center of Pengli Subdistrict, 681 Bohai 9 Road, Binzhou, 256600, China

In the article titled “Predictive value of ultrasound-related scoring system on embryo development in early pregnancy after IVF/ICSI: An observation of embryonic quality”, the volume number, issue number and page range are missing in Ref. [20] in the list and the acknowledgments of funding sources are missing in the text:

1. The updated Ref. [20] is as follows: Gleicher N, Kushnir V, Albertini D, Barad DH. Improvements in IVF in women of advanced age. *J Endocrinol.* 2016 Jul;230(1):F1–6.

2. Acknowledgements of funding sources: “This study was supported by Project of Binzhou Medical University (No. BY2014KJ47, Expression of Vaspin in patients with polycystic ovary syndrome and preliminary study on proliferation and apoptosis of human ovarian granulosa cells from Dr. Xin-hua Wang), and Project of Binzhou Medical University (No. BYCJY201817, Problems in the Teaching of Adult Education Courses and Countermeasures from Dr. Xin-hua Wang)”.
